Lake Winnebago Park amenities remain closed with the exception of trails/walking and park space in general as long as social distancing is maintained. Interaction should be limited to household members as much as possible in groups no larger than 10. Climbing equipment/playground equipment, high-touch exercise equipment, park shelter, restrooms, drinking fountain, and tennis/pickleball court are to remain closed to help prevent the spread. Sports/leagues are not allowed and includes practice.

We are receiving guidance from State, County, and other municipalities on when/how to reopen the amenities and appreciate your understanding.

CASS COUNTY:

General Guidelines for Missourians

• Citizens who feel sick should stay home!
• Continue to practice good hygiene, including:
  o Washing hands with soap and water, or using hand sanitizer, especially after touching frequently used items or surfaces;
  o Avoiding touching your face;
  o Sneezing or coughing into a tissue, or the inside of your elbow; and
  o Disinfecting frequently used items and surfaces as much as possible.
• Avoid socializing in groups that do not readily allow for appropriate physical distancing (receptions, trade shows, etc.). When in public (parks, outdoor recreation spaces, shopping malls, etc.), individuals should maximize physical distance from others.
• Minimize travel to the extent possible.
